

ASTRO 3D

2021 ASTRO 3D ANNUAL RETREAT – West Coast Hub

CONFERENCE LOCATION

The University Club of WA
Entrance 1, Hackett Drive
Crawley WA 6009

All conferences seminar rooms and break areas are on the first floor, accessible by both lift and stairs.

<https://universityclub.uwa.edu.au/>

TRAVEL TO UWA

For members external to UWA, public transport or taxi is still the best way to get to UWA. For the purposes of the Retreat only, you can claim reimbursement on transport expenses back from ASTRO 3D as you would your usual conference travel. See your local ASTRO 3D administrator for more information if required.

For UWA members, it is expected that you will travel as you usually would to UWA.

For those that prefer to cycle, please see this webpage which lists bike parking facilities:

<https://www.transport.uwa.edu.au/cycling>

Unfortunately there are no end of trip facilities close to UniClub for visitors, however, feel free to utilise the facilities in the ICRAR/UWA building. UniClub is a 10 minute walk from the Michael Building.

PARKING

Student permit parking bays, (indicated by yellow signs), are available to current UWA student yellow permit holders, current UWA staff red permit holders and valid pay and display ticket holders during the vacation period.

These bays are located in car parks 1, 4, 8, 9, 21 (Broadway level) 35 and 43. Staff permit holders are to use staff permit parking bays where available.

SOCIAL ACTIVITIES

Social activities have been organised on the Wednesday and Thursday afternoon of the program. These are optional, however, RSVP is required for catering purposes.

COST

The cost for all program activities for members, including meals and social activities will be paid for by ASTRO 3D.

--

If you have any queries or issues regarding the program, please contact your local ASTRO 3D administrator or on the day - Clare.Peter@uwa.edu.au or 0432 686 684.
